TAKE

IT

EASY.

CHOOSE IT.
USE IT.
LOVE IT.

kulzer.com/venus-pure

Do you want to reduce chair time while delivering anterior and posterior restorations effortlessly in monochromatic layering only?

With the four new **Venus Pearl Pure Shades**, you will meet your patients' demands while simplifying your workflow to the max.

MATCHES ANTERIOR AND POSTERIOR RESTORATIONS WITH EASE.

Speed up your restorative procedure and reduce chair time easily. The innovative solution of **Venus Pearl Pure Shades** simplifies your everyday business effectively – only four shades for monochromatic layering, great results and satisfied patients.

LESS STRESS. MORE SUCCESS.

Venus Pearl Pure Shades are so easy for you and your team to use. Everyday restorations have never been more convenient. The composite, with its slim range of shades, convinces through its non-slumping qualities, allowing for easy carving and sculpting. It's a perfect fit for daily restorative procedures.

RELIABILITY MADE IN GERMANY.

With **Venus Pearl Pure Shades** you get reliable quality and clinically proven products – for best results and safe application. Do you have specific high-aesthetic requirements and particularly demanding patients? These shades seamlessly integrate with the high-aesthetic shade solutions from the Venus family. The choice is in your hands.

“Easier decisions to select composite. Less chair time. Wider safety margin for shade selection.”

Dr Melissa Wong, USA

“Simplification without sacrificing aesthetics.”

Dr Giulio Bortolussi, Italy

“Shade match made easier without layering and adding tints. Time saver without compromising aesthetics.”

Dr Amisha Patel, UK

“Don't need a shade guide and patients love it.”

Dr Lucy Flanagan, UK
